

Stand Up Seedling Mentors

Each week you show up at school
You know that consistency is cool
Don't forget those games (oh-way-oh)
Your mentee loves playing dominos
Things may start out a bit slow
But that doesn't stop you, no oh no
You build that trust (oh-way-oh)
With patience and fun activities

All the kids love their mentor visits
Way-oh, Way-oh, Oh-way-oh, Way-oh

Stand up Seedling Mentors!

You're in the groove, a strong friendship
Has taken deep root, don't you know?
Making big strides (oh-way-oh)
You're figuring out which way to go
Middle school doesn't faze you
Trainings and MDs have got your back
When the school bell rings (oh-way-oh)
Neither of you want to leave

All the kids love their mentor visits
Way-oh, Way-oh, Oh-way-oh, Way-oh

Stand up Seedling Mentors!

You've got the chops, you feel prepared
To let your mentee know that you care
Every time you hang (oh-way-oh)
You leave feeling like you walk on air
Even when the going gets tough
Remind your mentee that they're enough
You've got their back (oh-way-oh)
Together you're on the right path

All the kids love their mentor visits
Way-oh Way-oh Oh-way-oh Way-oh

Stand up Seedling Mentors!

Your friendship's solid as steel
The trust, it runs deep, you know it's real
Every chance you get (oh-way-oh)
You focus on how your mentee feels
With your help, they're feeling prepared
To take on the world with confidence
It's been a wild ride (oh-way-oh)
Each moment together led to this

All the mentors love their visits
Way-oh Way-oh Oh-way-oh Way-oh
